Application

I would like to be considered for the Wellhofer/Wilinski Scholarship. I understand that this is a onetime \$1,000.00 Scholarship offered to a matriculated, full-time, undergraduate student attending any recognized degree granting University or College in the United States.

I further understand that the reason, I am able to apply for this Scholarship is that I am the son, daughter, or grandchild of a bona fide dues paying member (on-premise retail consumption licensee) of the New Jersey Licensed Beverage Association, who has paid membership dues one full year prior to my application, and will continue to pay dues each year that I accept the Wellhofer/Wilinski Scholarship funding; or the son, daughter, or grandchild of a retired member, who paid dues continuously for the last five years prior to his/her retirement.

I also understand that this Scholarship is not based on my family's financial situation. It is based on the combination of my academic record, in school, out of school activities, work experience and recommendation from my Counselor and a review by the Wellhofer/Wilinski Scholarship Committee.

Finally, I understand that I can apply for this Scholarship only once, while I am a senior in high school.
